PART 1 – INTRODUCTION AND BACKGROUND TO THE HALLOWEEN SPECIAL

Dear brothers and sisters in Christ, as we approach Halloween, I have once again launched the Novena Prayers of the "HALLOWEEN SPECIAL PART 1 AND 2."

Part 1 is the Background and Introduction to the Halloween Special.

And Part 2 is the prayers to be said daily during the Novena, called: "Spiritual Warfare Prayers and Protection against all evil spirits, including those of the Antichrist and Halloween spirits!"

As some of you may know, I put together these prayers and started them back in 2020 as a result of requests coming from our brothers and sisters in Christ in America, as they were witnessing satanic activities increasing in their own communities and cities.
Later, in October 2024, I also introduced Part 1, being the "Background and Introduction to the Halloween Special Prayers." This is also available in audio, just like it has been over the last two years.
The actual Novena will start on 22nd October and finish on 30th October. However, some of us have started it much earlier and will be finishing after 30th October. An optional second Novena starts on Halloween Day and continues until 8th November.
Also, this prayer can be said at any time throughout the year, either on specific days or as a Novena, repeating the same prayers over nine days.

So let me begin with Part 1 – THE INTRODUCTION AND BACKGROUND TO THE HALLOWEEN SPECIAL.

Dear brothers and sisters in Christ, if you have come to listen to this audio, it is by no accident that you have come to listen to this, but only by the grace of God that it has come to your attention.

If so, you can consider yourself, potentially, as one of the remnants, the few Christians that have been called by God to join us in this fierce spiritual battle of God's Children of light, against Satan and all the evil spirits together with his children of darkness, the Satanists and witches who would have probably been very active throughout the month of October and especially over the last few days leading up to and including Halloween. They would have been practising their witchcraft and satanic rituals, praying against Christians and trying to cause great harm to God's people.

Dear brothers and sisters, it's worth reminding you that as we prepare to say this Novena prayer, in Ephesians Chapter 6, verse 12, Saint Paul reminds us that:
"For it is NOT against human enemies that we have to struggle, but against the principalities and the ruling forces who are masters of the darkness in this world, the spirits of evil in the heavens."

We will be saying these scriptures later as part of our prayers.

So, imagine that! We are not battling against flesh and blood, but against the evil spirits in the heavens.

Therefore, brothers and sisters, in obedience to our Lord Jesus Christ, Jesus instructed us in the gospel of Matthew Chapter 5, verse 44 to LOVE our Enemies.

Here is what he said:
v43 You have heard that it was said, "Love your neighbour and hate your enemies.
v44 But I tell you, love your enemies and pray for those who persecute you,
v45 that you may be children of your Father in Heaven. He causes his sun to rise on the evil and the good, and sends rain on the righteous and on the unrighteous.
v46 If you love those who love you, what reward will you get?
Are not even the tax collectors doing that?
v47 And if you greet only your own people, what are you doing more than others?
Do not even pagans do that?
v48 Be perfect, therefore, as your heavenly Father is perfect.

So, let us love our Enemies and pray for them too, so that, by the grace of God, they can have a conviction of sin, a conversion of heart and a truly repentant heart so that they turn away from their wicked ways, be snatched from the kingdom of darkness and be brought into the kingdom of light – just as Saint Jude mentions in his letter, Chapter 1:23!!!

Here, we are talking about the Satanists, witches and all other people involved with the occult that may have been praying against us during this month as we approach Halloween.

The Truth is that we really don't know the journey that these people have been on and how they have come to be Satanists and witches and warlocks etc.
Therefore, we must not judge them, or want any harm to come to them, but to love them and want their salvation too. They are people's children, brothers, sisters,

fathers, mothers etc… and desperately need someone to pray for their conversion to be saved by our Lord Jesus Christ.

I also wanted to point out that in the Gospel of Luke, chapter 6 verses 27 to 28, titled Love for Enemies, Jesus said:
"But you who are listening I say: Love your enemies, do good to those who hate you, v28 bless those who curse you, pray for those who mistreat you."

Isn't that strange if you have never heard that before?
Jesus actually instructs us to bless those who curse us!
Isn't that a radical teaching?

But spiritually speaking, if people are cursing us, then by blessing them, their curses do not have anywhere to land and therefore have to go back to them!!!
So, it seems to be for our protection that Jesus instructs us to bless those who curse us. So, in obedience to Our Lord Jesus Christ, we will also be doing this in our prayers too – blessing those who curse us!

Just a word of warning brothers and sisters, for those of you praying for these people, or maybe people in your family that are involved in these evil practices, the occult, witchcraft and satanism …

For their safety, it is best NOT to say spiritual warfare prayers of ***deliverance*** *for them as they have not given their life to Jesus yet.*

So, in my opinion, as someone who has been in Prayer Ministry for over 25 years now, I suggest that the best prayers to say for them are, for example, asking God to change them and guide them to repent and believe. That is, for example, saying the Chaplet of Divine Mercy and/or the Rosary for their repentance and conversion.

This applies also to maybe members of our own family who have drifted into the occult and new age spirituality.

I have found that these prayers are the safest for them to say as otherwise they may end up in a fierce battle themselves if they have not yet given their life to Jesus.

We need their conversion first, giving their life to Jesus, then to help them in God's timing with these other prayers to set them free from the powers of darkness.

This is for their own protection.
As we who are abiding in Christ and are faithful in living in his Word, we have nothing to fear in this spiritual battle. AMEN!!!

If you happen to be listening to this, and you are NOT a baptised Christian, or are an atheist or indeed, a Satanist, or a witch or warlock, or practising the occult, please listen carefully to what I have to say here as I want your eternal good and for you to know the truth of what is going on in this fierce spiritual battle taking place for the souls of people.

Yes, there is a fierce battle going on for your soul. Jesus came to save your soul and the devil is trying to cause great harm to your soul by trying to lead you to eternal damnation.
If you are an atheist, a non-believer listening to this, you may think this is all rubbish. But in most cases, the devil is quite happy to leave you in his kingdom of darkness with a false sense of security, a false sense of consolation. For most people, it's when they choose to come out of the kingdom of darkness into the kingdom of light that they first become aware of the truth, the truth of this spiritual battle that is taking place, as the enemy does everything they can to stop you from coming into the kingdom of light!

Yes, the battle is for your soul. Christ came to save your soul from eternal damnation and to give you eternal life. But Satan wants to snatch your soul from Christ and to drag you with him into eternal damnation where there is eternal suffering with him in hell.

So, I urge you right now, don't skip this serious message that I am giving to you, as this could be the moment God has chosen for you to be saved by choosing Jesus Christ, as your Saviour!
For he is the Way, the Truth and the Life and no one can come to the Father except through Him.
And the truth will set you free from ALL fear, worry, anxiety and all the powers of darkness that you have opened the doors to.
Jesus Christ came to set you free from all these things so that you may have eternal life and have it to the full!

So, I have included in these prayers a prayer for people who are reading or listening to this message right now, who may be atheists or non-believers and want to give their lives to Jesus Christ, repent of all their sins and accept Jesus Christ as their Lord, their God and their Saviour.
Amen!

And these prayers are also for you if you have been involved in witchcraft or satanism or have dabbled with the occult one way or another and want to stop doing that from now on and to come into the kingdom of light by giving your life to Jesus, accepting him as your Lord, your God and your Saviour, and repenting and believing in him.

If you are dealing with witchcraft or satanism and want to repent, reject and renounce all that now, you too can say the prayer and give your life to Jesus.

He will welcome you into his kingdom of light and fill you with his Love, Peace and Joy!

I have also included some really powerful testimonies of people involved in the occult and satanism that have converted to Christ and are actively telling people the truth about this fierce spiritual battle.

As I reflected on this, I recalled many who were the enemies of Christ and His disciples and they persecuted them, killed them but some, later, by the grace of God, repented, were converted and became the biggest evangelists of all time!!!

For example, in my opinion, one of the most powerful testimonies of all time that I tell people is the conversion of Saul who became Saint Paul – This is explained in detail in the book called "The Acts of the Apostles" chapter 9 titled: The Conversion of Saul.
Although he was not involved in the occult, or witchcraft, he was persecuting Christian big time!

What makes this one of the best conversion testimonies of all time is that Saint Paul did not know Jesus during his 3 years of ministry. NO, but what makes this testimony amazing is that it was Jesus, the Risen Jesus – that after his Death and his Resurrection, Jesus appeared to Saint Paul on the road to Damascus, and Jesus blinded him, threw him off his horse while he was on his way to capture more Christians!!!

When the risen Jesus appeared to him, and knocked him off his horse and blinded him, Saul asked, "Who are you, Lord?" Jesus answered him,
"it is I Jesus whom you are persecuting."
This conversion led to Saint Paul becoming one of the biggest evangelists of all times!!!
He evangelised to the Gentiles and pagan worshippers!

We desperately need someone like Saint Paul in our times don't we!!!

Well, the other saint that comes to mind is the 3rd century saint, called Saint Cyprian the "Magician" – not to be confused with Saint Cyprian, Bishop of Carthage.
Saint Cyprian the Magician was heavily into magic and sorcery, and very well known in the 3rd Century for his gifts of magic, sorcery and spells etc.

He was a master and teacher on the subject and many went to him to cast spells on people!!!
He had a very powerful ministry, but sadly, all the power came from the dark, demonic, satanic side.
It wasn't until he was asked to put a spell on a young beautiful woman called Justina, NOW KNOWN AS Saint Justina, a young beautiful Christian woman who was faithful to Jesus Christ, that led Cyprian the Magician to come to know about Jesus Christ and Christian faith.

You see, a young rich man saw the beautiful girl and asked Cyprian the Magician to put a spell on her so that she could fall in love with him!!!
He attempted time and time again, conjuring up more and more powerful demonic spirits to send to her, and to get her to have thoughts about this rich man and for the spell to make her think of him and have desires for him!!!

And yet, this time, this master wizard, Cyprian the magician, could not do it!!!
He was powerless in doing anything to this young Christian woman because of her faith in Jesus Christ!

You see, his spells, no matter how powerful the spirits were, they did not have any power over the young Christian girl because her faith in Christ was so strong!!!

When she was bombarded with these thoughts about this rich man that the demon spirits were placing in her mind, she was troubled and made the "sign of the Cross with faith" and any demonic powers present could not stay any longer but had to flee!!!

Yes, that's all she did – the power of making the sign of the cross with faith in Jesus Christ terrified the enemy, those evil demonic spirits and they couldn't stay in her presence – they had to flee!

That's all it took – making the sign of the Cross with faith caused these evil demonic spirits to flee!
–
Let's do the sign of the cross with faith right now - In the name of the Father, and of the Son and of the Holy Spirit. AMEN!
This is also included in our prayers later on. Amen!

So, the demonic evil spirits reported back to Cyprian the Magician that they could not do it, her faith in Christ was too strong. Cyprian did not know about the Christian faith at that time, and this led him to go out in search of the young Christian woman to find out what this faith in Christ was all about!!!

This led Cyprian the magician and sorcerer to reject and renounce all magic, sorcery and spells and instead, accept Jesus Christ as his Lord, his God and his Saviour!!! Praise God!!!
He later became a priest and bishop and was martyred together with Saint Justina.

He too became one of the biggest evangelists of his time and because he knew about casting spells and magic and sorcery, he became one of the biggest exorcists of his time because he knew also how to break those spells and set people free in Jesus' Name!!! Amen!

Also, brothers and sisters, let us remind ourselves that God has anointed us with His grace and His power to defeat the whole enemy of God!!!
In Luke 10:19 Jesus said,
"Behold, I give you Authority to tread on serpents and scorpions and over the power of the enemy, and nothing shall hurt you…
Amen!!!

All Thanks, Praise and Glory be to our Lord Jesus Christ!!!

*So, remember! Making the **"sign of the cross"** with faith gets the enemy to flee!!!*

So finally, just one more conversion story to tell you about, this time, it's about someone in our times.
It's about a Satanist, or should I say ex-Satanist, called John Ramirez, who was very active and powerful in his ministry causing great harm to people.
After having a spiritual conversion, he too rejected and renounced Satan and all that he stands for!

He converted and became a Christian and a follower of Our Lord Jesus Christ.

He too gives great insight into what the Satanists and witches actually do to try and cause great harm to Christians.

But he also reveals some very important things that you should know about, especially what happened to them, that is, the Satanists and witches, when they came across the family homes of practising and prayerful Christians!!!

It's good news, brothers and sisters in Christ!

According to John Ramirez and others involved in witchcraft, their demonic power had no chance against the powerful prayerful Christians praying in their homes!
They describe the light that shines from the homes of Christians who pray!
They go on to say that they lost all their demonic powers and were disabled from completing their evil assignment – praise God!!!

Since becoming a Christian, he has been very active in warning Christians about the dangers of getting involved in Halloween and how it opens up the doors to the demonic powers in their homes and in their lives!

He says, even dressing up your children in Halloween costumes and buying sweets for them to go "trick or treating", or simply buying a pumpkin and bringing it into the house may open doors to the demonic powers as they may have all had curses and spells said over them.
You see, during the month of October, the witches and satanists would have been actively going around to shops and supermarkets cursing all the Halloween products, the sweets, costumes and even the pumpkins etc… This was explained by ex-witches as something they would do.

One more final thing about what he says, about when he was a Satanist and was on a mission during Halloween to cause harm to Christians. This is worth repeating, brothers and sisters.
Well, he explains that as he approached Christian homes by astral travelling, the Christian prayers were so powerful that he literally became weak and lost his demonic power and could not do anything to harm those Christians!!!

So, just like Saint Justina, those demonic spirits had no power over the faithful servants of Christ, and they had to flee!!!
Amen!!!
So, this ex-Satanist also confirms that they have no power over us Christians active in our faith and prayers!!!

So, finally, dear brothers and sisters, the faithful remnant servants of Our Lord Jesus Christ, let us unite in prayer every day now as we say this Novena leading up to and including Halloween Day and beyond – for All Hallows Day, All Saints Day and All Souls' Day.

Even though the 1st Novena starts officially on 22nd October and ends on 30th October, many of us will have already started it earlier than that and will finish

only after saying the 2nd Novena, starting on 31st October and finishing on 8th November.
No matter where in the world we are, let us come together in spirit and in truth, to pray with one heart, one mind and one soul, these powerful prayers:
"Halloween Special – Spiritual Warfare Prayers and Protection"

And, in the words of our Blessed Mother of La Salette:
"Fight children of light you, the few who can see.
For now, is the time of all times, the end of all ends."

So, please circulate this to your contacts a.s.a.p. as the Lord inspires you to do, so many may join us in this spiritual battle.

May God continue to bless us, protect us and use us powerfully in helping Him save souls.

In the name of the Father, and of the Son, and of the Holy Spirit.
Amen!

nd now onto Part 2 – the actual prayers for the Novena:
"Spiritual Warfare Prayers and Protection against all evil spirits, including those of the Antichrist and Halloween spirits!"
